

Section 15: UUNB PULPIT POLICY

The IRS now permits 501(C)(3) nonprofits to endorse political candidates. At Unitarian Universalists of New Braunfels, we will not endorse political candidates or parties from the pulpit. Our mission is grounded in our seven principles, which call us to pursue justice and equity, speak out against oppression, and hold power to account-not serve as an arm for any party or candidate. Preserving our nonpartisan integrity is essential to that work.
